

MANQuest

#1 NEW YEAR RESOLUTION FOR 2019

Take your Teenage Son on a ManQuest Journey!

“Most of us want to teach our boys about authentic manhood but we don’t always know what to say or where to start. MANQuest is the perfect guide for fathers and mentors who want to equip their teenage boys with the right stuff and start them on the adventure of a lifetime.”

Dave Dombrowski
General Manager, Boston Red Sox

“Finally, a playbook for coaching boys on what it takes to be a man. MANQuest delivers a healthy set of guideposts to jump start teens on the road to manhood. Boys who never become men do a lot damage - this book helps fathers teach boys what real and true masculinity should look like.”

Joe Ehrmann
Pastor, Coach, NFL Legend & Author of InsideOut Coaching

The greatest gift a father can give to his son is the roadmap to manhood. Help your middle schooler answer the three fundamental questions every teenage boy is secretly asking himself: (1) What does it take to become a man? (2) What are the actions of a man? (3) Do *I* have what it takes? ManQuest guides fathers and sons through honest dialogue in a comfortable setting with their friends.
